Dear Valued Customers,

Antigua Commercial Bank (ACB) wishes to thank you for your kind understanding during the weather conditions associated with Hurricane Irma, which affected our banking operations in both Antigua and Barbuda.

While service has been fully restored at all branches in Antigua and in all electronic channels (ATMs, debit and credit cards, and internet banking), our hearts go out to the people of Barbuda who remain a primary concern.

As we observe the state of emergency in Barbuda, we join with the entire nation in extending our prayers and best wishes to our brothers and sisters in Barbuda, and to all those who have been affected by Hurricane Irma. We look forward to resuming banking services in Barbuda as soon as conditions permit us to do so. Thank you.
